To our Sponsors:

The Silver and Gold dressage shows we hosted June 23 & 24 were very well attended. The responses we have received from the competitors are full of compliments for the organization and running of the shows. The support we were given, from you, our sponsors, added greatly to the success of the two days. It would not have been possible to have put on such a well received event without your contribution. We would like you to know how much your support added to the success of the weekend.

With our thanks and appreciation – Steve and Lynda
