**Gold Show – June 13-14, 2015** *(This show is a qualifier for: 2015*

*North American Junior and Young Rider Championships, National Youth Championships, and Canadian National (Gold) Championships, Eastern Region )*

The Rainbow Ridge Ranch Competition weekend is a sanctioned competition of Equine Canada and is governed by the Rules of the Equine Canada.

## **EQUINE CANADA'S STATEMENT OF PRINCIPLE**

Equine Canada, (EC), the National Federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction. EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure.
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- Continuing to support scientific studies on equine health and welfare
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane (A602.3(f)).

## **Person Responsible**

The Person Responsible for a horse must be an adult, who has, or shares, responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC Rules and is liable under the penalty provisions of the Rules for any violation of the EC Rules. For the purpose of those Rules, the Person Responsible is normally the trainer, owner or the competitor who rides the horse during an event, or a parent or legal guardian in the case of junior competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a junior, the competitor cannot be the Person Responsible and the Person Responsible may be a parent/guardian who must be at minimum, an EC or USEF member in good standing.
