Memorandum

Date: 2 May 2011
To: Equine Canada Competition Organizers in the Province of Ontario
Equine Canada Officials
From: Craig Andreas, Chief Operating Officer, Equine Canada
Dianne Graham, Executive Director, Ontario Equestrian Federation
Re: Application of HST on equine medication fees in the Province of Ontario

Dear member,

Following extensive consultations between the Ontario Equestrian Federation (OEF) and its legal and tax advisers, Equine Canada has learned that effective immediately it will be necessary for competition organizers in Ontario to collect HST on equine medication control fees (drug fees).

The OEF and Equine Canada ask that you please begin collecting and remitting the HST along with the drug fees to the Ontario Equestrian Federation effective 1 June 2011. The OEF in turn will be responsible for remitting the HST portion of the medication control fees to the Government of Ontario.

We also ask that you make any changes that are necessary to prize lists and other promotional material where drug fees are posted in order to alert competitors to the applicability of the HST on the drug fees. The OEF and Equine Canada are amending the respective equine medication fee remittance forms to reflect this change and we will be providing these new forms to competition organizers as soon as possible.

For events held prior to 1 June 2011, Equine Canada has also learned that the OEF will not be asking organizers to retroactively remit the HST. Instead, the OEF will remit HST that would have been applicable to the Government of Ontario using funds available from its equine medication reserve.

Both the OEF and Equine Canada worked cooperatively and tirelessly on this topic and we sincerely regret any inconvenience caused to our participants and organizers as a result of this unfortunate ruling. We remain at your disposal to answer any additional questions you may have on this topic.

Yours Sincerely,

Craig Andreas
Chief Operating Officer
Equine Canada

Dianne Graham
